

Henleaze Infant and Junior School Bulletin

20th March 2026

Headteacher update:

Over the past week our school has been recognising **Neurodiversity Celebration Week**. This has been a valuable opportunity for our children to learn about, understand, and celebrate the different ways people think, learn, and experience the world.

This began with whole-school assemblies that highlighted the strengths and uniqueness of every individual. We explored themes such as inclusion, kindness, and understanding, helping children to appreciate that everyone's brain works differently—and that this diversity is something to be valued.

This focus links closely with Henleaze School's core values of **respect** and **community**. By encouraging our pupils to recognise and respect differences, we continue to build a supportive and inclusive environment where every child feels a strong sense of belonging. Celebrating neurodiversity strengthens our community by promoting empathy, acceptance, and mutual respect. Children exemplified these positive attitudes when they talked about their own neurodiversity or family members with neurodiverity; focusing on strengths and individuality

We encourage you to continue these conversations at home by talking with your child about what makes them unique and how we can all show respect and kindness to others.

Thank you for your continued support in helping us nurture a caring and inclusive school community.

Kind Regards,

Gemma Fricker

The Infant School Learned more about active travel through their assembly and workshops during the Walk and Wheel week. They enjoyed step counting using pedometers.

Year 4 were great representatives for our school in the Trust debate session at city hall yesterday.

Sycamore Class learned about what a career in the navy might involve when Hugh's Grandpa visited this week.

Class of the week
Class 8 for representing our school
so brilliantly at the Council House
Debate.

(No Infant Celebration Assembly)
